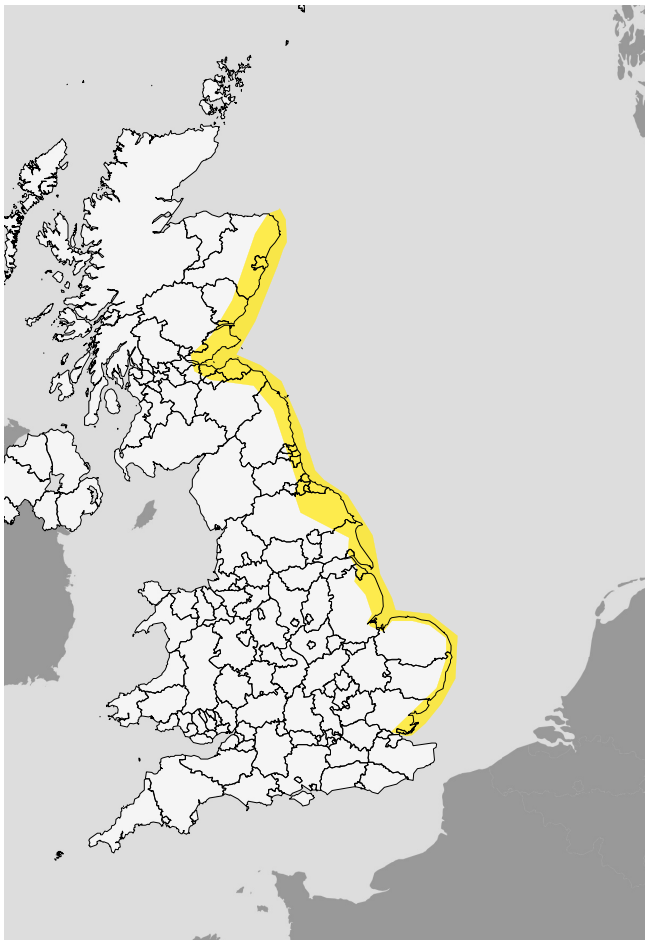
Yellow warning
Wind

Between
12:00 Fri 20 Oct 2023 and
12:00 Sat 21 Oct 2023



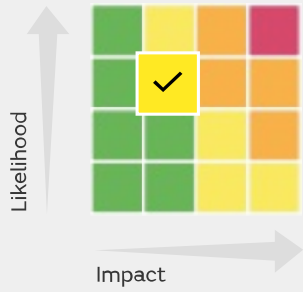
Strong easterly winds will continue to affect coastal parts of eastern Scotland and England through Friday and Saturday

What to expect

- It's likely that some coastal routes, sea fronts and coastal communities will be affected by spray and/or large waves
- Delays for high-sided vehicles on exposed routes and bridges likely
- Probably some bus and train services affected, with some journeys taking longer

Further details

Coastal easterly gales, accompanied by gusts of 40 to 60 mph are likely to renew (in the south of the area) or continue (in the north of the area), extending a short way inland and affecting other higher ground areas inland too. These will be accompanied by large waves and dangerous coastal conditions. Winds are expected to ease through Saturday.



Medium likelihood of low impacts

Issued at 10:57 Wed 18 Oct, 2023
